DATA SPECIAL HANDLING FORM

TERMS AND CONDITIONS:

This Service Agreement serves as the **Non-Disclosure Agreement** is between the person/company named in this form (herein referred to as "**the Client**") and **1000 Miles Network (AP) Private Limited**, herein referred to as "**1000 Miles Network**", who desire to investigate the possibility of a business arrangement relating to the special handling of data, namely data erasure, drive degaussing and/or disk destruction (physically) for **the Client**. **1000 Miles Network** wishes to receive this recorded data (hard disk, removable media, etc.) for the purpose of preparing and submitting a quotation for **the Client** concerning the cost of special handling of the data on behalf of **the Client**. The parties listed above hereby agree to the following terms as they relate to the disclosure of information considered proprietary by **the Client**. **The Client** shall submit recorded data to **1000 Miles Network** for the sole purpose of having the data handled accordingly to **the Client**. At no time from the date of this agreement shall **1000 Miles Network** directly or indirectly disclose, sell or give any information it receives from **the Client** to any person, firm, or corporation, or use the information for its own benefit, except for the purpose described above, without the express written consent of **the Client**. All **the Client** data is subjected to the terms of this agreement unless otherwise documented.
